On Tuesday, June 14, 2016 at 2002 hours dispatch advised of an assault at 12844 Military Rd S; Highline Medical Center Specialty.

Upon my arrival I met with medical staff who told me what happened. I was told there were 2 patients who were in the psychiatric ward and they were involved in a fight that was not witnessed by the staff. The 2 patients were [REDACTED] and [REDACTED]. I was told both were separated and calm now. Staff said [REDACTED] was court ordered in the facility and had bipolar and was schizophrenic. [REDACTED] has a history of fighting and touching people. [REDACTED] was ordered to the facility and was suffering from PTSD and had a history of fighting with others.

I met with [REDACTED] who told me he was walking down the hallway with a friend when he saw [REDACTED] walking towards him and [REDACTED] was walking with a female. [REDACTED] walked past [REDACTED] and was about 30 feet away when [REDACTED] charged at him, punched [REDACTED] on the right side of his head and ran away. [REDACTED] chased after [REDACTED] about 30 – 40 feet and when he caught up to [REDACTED], [REDACTED] grabbed a walker and tried to keep back. Staff arrived and separated them. I asked [REDACTED] what provoked the fight and he told me [REDACTED] has been calling him faggot and has been taunting him because he is bi-sexual. [REDACTED] said he did not provoke [REDACTED] and when he walked in between [REDACTED] and his friend there were no words exchanged. I asked [REDACTED] to show me his injury and he told me there was not a mark but he could feel a slight bit of pain but the pain was not bad. I looked at [REDACTED]'s head and I did not see any marks. [REDACTED] said he had a witness but the witness did not want any part of incident. [REDACTED] said he wanted to press charges against [REDACTED].

I spoke with [REDACTED] next. [REDACTED] entered the room and Officer Sagul was with me and we both recognized [REDACTED] as a suspect who Officer Sagul recently arrested. [REDACTED] at the time of the arrest was laughing, not with reality and urinated on himself in the backseat of the patrol car. [REDACTED] entered the room and started to giggle and smile at officers. I asked [REDACTED] if he knew why he was talking with officers and he said "no" as he was giggling. I explained to [REDACTED] we were there because of the fight between him and [REDACTED]. [REDACTED] told me he did not do anything besides fly and push [REDACTED]. [REDACTED] said [REDACTED] pushed him as they passed each other in the hallway and [REDACTED] flew through the air and pushed [REDACTED] and ran away. I asked [REDACTED] why he and [REDACTED] were not getting along. [REDACTED] told me he was "kinda bi-sexual" and [REDACTED] looks at him like he is gay. [REDACTED] could not answer many questions about the incident. [REDACTED] looked around and kept smiling and giggling.

I informed [REDACTED] that I would be taking a report and sending the case to the City of Tukwila Prosecutor's Office for review. I met with [REDACTED] and informed him that I would be sending this incident to the prosecutor's office for review. [REDACTED] was upset and wanted [REDACTED] arrested. [REDACTED] was complaining that staff was not doing their jobs and there were not enough staff members for all of the patients.

I am forwarding this case to the City of Tukwila Prosecutor's Office for review.
